

Remote Working

Dear Valued Clients, Colleagues, and Business Partners,

Corpus is closely monitoring the situation with COVID-19, in Zambia and the region, to ensure the safety and well-being of our employees and clients.

We are doing our part to control the spread of the pandemic by following expert advice to maintain social distancing and following certain hygienic habits as per our COVID-19 preparedness plan. **Therefore, effective 6 April 2020, we are beginning to transition employees to remote working.**

Despite these uncertain times, we want to send a strong and clear message that we are all in this together and we remain open and committed to attending to your business and legal needs.

For any information, you can get in touch with your usual contact or call **+260 950 438 557** or **+260 763 533 807** to be put through to the appropriate person.
